Important: All information for the requested rebate as well as customer signatures must be completed (except as noted). Only complete applications will be processed. The rebated equipment must be installed where electric service is provided by Lanesboro Public Utilities on a retail basis. Lanesboro Public Utilities reserves the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. Due to limited funding, this rebate can be withdrawn at anytime without notice, and is available on a first-come, first-served basis. After satisfactory review of the rebate form and invoice/sales receipts, a rebate will be applied to the customer Public Utility account. Lanesboro Public Utilities does not guarantee that the implementation of energy-efficiency measures or use of the equipment purchased or installed pursuant to this program will result in energy or cost savings. Lanesboro Public Utilities does not endorse any particular vendor, manufacturer or product, and makes no warranties, expressed or implied, with respect to any equipment purchased or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall Lanesboro Public Utilities be liable for any incidental or consequential damages.
